

## HOW DO WE DO IT?

### HERE IS A QUICK BREAKDOWN OF IT!

First, we will obtain an item either through purchase or donation.

As soon as we have the item, we will create the raffle on our site and create a post alerting our followers that the raffle is live.

Once all the tokens are bought, we will begin a live Facebook video announcing the winner and giving the proceeds to an emergency responder organization that needs it most.

### THIS IS JUST THE BEGINNING!

Below is our first of many raffles!

Here's what's included:

1x Carlyle 41-inch toolbox  
1x 12/24V 200amp battery charger/engine starter.

Plus, an assortment of M12/M18 Milwaukee tools & containers.

## HOW DO OUR RAFFELS WORK?

**Step 1.** Purchase a spot for any of our ongoing raffles from our website or purchase a spot with cash at the NAPA store located in Waynesburg PA.

**Step 2.** Give us your first and last name, and a phone number so that we can call you if you are a winner.

**Step 3.** Follow our account on Facebook (*Emergency Responders Funding Initiative*) to receive weekly updates on all our drawings, plus a live drawing once all spots have been filled.

**Step 4.** That's it! All that is next is to wait for us to go live on Facebook to declare a winner or receive a call from someone on our team.
